

DESIGN AGREEMENT

Showroom Consultation

- Meet with Design Specialist to review scope of your project, discuss products and services
- Develop a rough estimate for your project

Design Concept

- Begins with site visit or thorough analysis of Architectural plans
- Preparation of concept drawings; ½" scale floor plan, elevations and /or perspective sketches
- Preliminary specification of cabinetry, surface materials and appliances
- Presentation of above as well as an estimate on your investment

Design Detailing Phase

- Preparation of working drawings, including detailed ½" scale floor plan, elevations and /or perspectives.
- Preparation of NKBA specifications coverings all elements that pertain to your project
- Formal quotation and preparation of contract documents

Subsequent Services

- Development of mechanical and construction plans, if required
- Establish time line for your project and forward to all involved trades (remodel)
- Selection assistance service; off site visits to local vendors. Up to (6) hours

FEE SCHEDULE:

- DESIGN CONCEPT: _____
- DESIGN DETAILING: _____

The above fees are non-refundable, but will be applied in full, to the final contract/order for which fees were paid. All design layouts; plans and other drawings remain the property of L Designs until both parties sign a contract.

We authorize L Designs to proceed with the design services as specified.
